Welcome to a time of praise and worship of the Lord our God on this Easter Sunday! We especially welcome every visitor today. We are very glad you came. May the peace and joy of the Lord be yours. After the morning service all are invited to the fellowship hall next to the sanctuary for a cup of coffee or juice and continued fellowship.

From the deacons: Did you know that you can submit your Faith Community Fellowship donations electronically using PayPal or a debit or credit card? Choose a one-time donation, or get on a regular schedule of giving. Go to our website, faithcommunityfellowship.org, and click on "give." Thank you for your faithful giving!

Over 50's group: Save the date: FRIDAY, MAY 12TH @ 7 PM! Dessert Theater in Alger: You Can't Take It with You! This madcap comedy is about two very different families. One is a wacky, relaxed, happy extended family of many hobbies and relationships. The other is tied in knots about work, keeping a nose to the grindstone, and Wall Street. The daughter of one family is in love with the son of the other family and, naturally, that's a problem. Will this young love be able to survive? Cost: $14 adults, $12 seniors. RSVP needed by April 26th. Talk to or email Joanne Lagerwey.

Save the date! Ladies Craft Night (and day): Friday, May 5th and Saturday, May 6th. Watch the bulletin for more details in the coming weeks.

Concerns and praises within our family at Faith

Special Prayer Requests:
- Continued prayer for those struggling with cancer: Shirley
  Nelson, Mike VanBerkm’s brother John, Sienne Ackermann, Carrie
  Matson, and Trista Burn.
- Our country—prayer for those in authority, for righteousness and
  wisdom for our elected officials and peace in our nation and world.
- Pastor Dave Browning (CTK)—prayer for radiation and chemo to
  shrink the tumor. Praise that he hasn’t struggled with many adverse
  side effects and for the love and care of the community.
- Sandy F. (missionary)—Please pray for continued healing, for God to
  shock the whole lymph system, and totally wipe out all the cancer, as
  well as patience, wisdom, stamina, and balance in their lives as she
  and Steve juggle doctor visits, hospital appointments, dietary
  struggles, family and ministry.
- Herman Oordt—prayer as he has 3 radiation treatments this week
  and one scheduled for next week. Pray that the radiation will not
  affect his pacemaker which is in close proximity. Pray also for energy
  and well-being during this time.
- Cody Adelman—prayer for healing and pain relief following a possible
  bacterial infection caused by something he ate while on vacation in
  Hawaii. He returned home Tuesday and is still in considerable
  pain. Prayers that the doctors can help treat this and control the pain
  and correctly diagnose the problem—possible colitis?
- Beverly Holmes—prayer concerning their upcoming trip to the Tri-
  cities for the last court date regarding Vatani’s custody on April 25.
  Also, for employment for Beverly.
- Christy Ledeboer—please keep her in prayer that she would have
  very little side effects following her first dose of chemo earlier this
  week.
- Tami Hodge—prayer for her as she goes to visit her mom Betty in
  Spokane for a few weeks.

Praise for:
- Bill Adelman—praise that he is doing okay after having a blood clot in
  his leg.
- Youth Group—praise for a safe return and a memorable experience!
- Shirley Nelson—thankful that the oral chemo that she is taking is
  keeping the tumors in her lungs and lymph nodes from growing and
  that she is not in any pain. Thankful to God for peace of mind and joy
  in her daily life as well as for the prayers of friends and family.
